

owe a great debt to his skill and passion and must never forget his reminder that "Plans to protect air and water, wilderness and wildlife are in fact plans to protect man."

AARON CISNEROS

HON. ED PERLMUTTER

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 15, 2010

Mr. PERLMUTTER. Madam Speaker, I rise today to recognize and applaud Aaron Cisneros who has received the Arvada Wheat Ridge Service Ambassadors for Youth award. Aaron Cisneros is a 9th grader at Jefferson High School and received this award because his determination and hard work have allowed him to overcome adversities.

The dedication demonstrated by Aaron Cisneros is exemplary of the type of achievement that can be attained with hard work and perseverance. It is essential students at all levels strive to make the most of their education and develop a work ethic which will guide them for the rest of their lives.

I extend my deepest congratulations once again to Aaron Cisneros for winning the Arvada Wheat Ridge Service Ambassadors for Youth award. I have no doubt he will exhibit the same dedication and character to all his future accomplishments.

HONORING THE LIFE OF DR.
LAWRENCE SEYMOUR

HON. STEVE COHEN

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 15, 2010

Mr. COHEN. Madam Speaker, I rise today to honor the life of Dr. Lawrence Seymour, a Memphis doctor who dedicated his life to fighting prostate cancer. He was born in Fayette County, Tennessee and moved to the historic LeMoyné Gardens neighborhood in Memphis before beginning grade school. He was class valedictorian at Booker T. Washington High School, one of the first African American high schools in the city. Rising out of poverty, he attended Howard University College of Medicine on a full scholarship. After graduating in 1961, Dr. Seymour regularly sent money back to Howard University to help other aspiring doctors pay for their medical school education.

Becoming one of the first African American urologists in Memphis, Dr. Seymour earned a reputation as a doctor who provided treatment for people whether they were insured or not. He would see patients regardless of their ability to pay him because, according to his wife Mrs. Anita Seymour, "He felt like he owed it to his community."

Dr. Seymour would always remind his patients of the importance of receiving specific antigen blood tests, which are critical in helping doctors diagnose prostate cancer in its early stages. For him, the fight against prostate cancer was personal because the disease claimed the life of one of his brothers. Dr. Seymour was a pioneer in the fight against prostate cancer, developing several new treatments for the disease including one that shrinks the prostate gland before surgery.

Dr. Lawrence Seymour passed away on February 23, 2010, at 75 years of age. The Memphis community mourns the life of one of its great doctors. He is survived by his wife, his four children and a host of friends and family across Tennessee and the country. We are grateful to have had the pleasure of his dedication, perseverance and passion in the Memphis community.

RECOGNIZING SUPERVISORY SPECIAL AGENT ERNESTO "TITO" CRUZ

HON. SILVESTRE REYES

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 15, 2010

Mr. REYES. Madam Speaker, I rise today to honor Supervisory Special Agent Ernesto "Tito" Cruz for his service to the Permanent Select Committee on Intelligence over the past year.

As a detailee from the Federal Bureau of Investigation, Special Agent Cruz offered his professional expertise to and provided substantial support for a range of in-depth reviews, from those focused on highly sensitive intelligence operations to current practices with the Intelligence Community that implicate legal, policy, or fiscal concerns and investigations.

In particular, Special Agent Cruz assisted in the Subcommittee on Oversight and Investigation's bipartisan examination of circumstances surrounding the Peru Narcotics Airbridge Denial Program, as well as several inquiries regarding contractor practices within the Intelligence Community and allegations of waste, fraud, and abuse. The Committee also benefited greatly from his FBI experience during the interviews conducted in connection with an investigation into congressional notification practices, policies, and procedures.

The Intelligence Committee's work involves constant interaction with the 16 elements of the Intelligence Community, particularly through the offices of congressional affairs. Special Agent Cruz's long-term experience across a wide range of intelligence matters and his significant and successful interaction within congressional affairs offices was an asset to the Committee's performance of its oversight duties.

The Committee was privileged to have the opportunity to work with Special Agent Cruz. His work ethic, friendly nature, and sense of humor made him a valued member of the Committee team. Thank you, Tito, for all of your hard work, and I wish you all the best as you leave the Hill for FBI's Office of Congressional Affairs.

RECOGNIZING HERSCHEM FAMILY ENTERTAINMENT AND SILVER DOLLAR CITY ON ITS 50TH ANNIVERSARY

HON. ROY BLUNT

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 15, 2010

Mr. BLUNT. Madam Speaker, I rise today to pay tribute to Silver Dollar City on its upcoming 50th anniversary.

The Herschend family established Silver Dollar City on May 1, 1960, in Branson, Missouri, on top of Marvel Cave to preserve and celebrate the folk history, storytelling, music and craft traditions of 1880s America. The park originally featured two authentic log structures, a town square with a demonstrating blacksmith, a general store, and an ice cream parlor. A crew of 17 "citizens" entertained about 125,000 visitors in the first year.

Fifty years later, Silver Dollar City now counts over 2 million visitors annually, employs more than 2,000 individuals, and contributes over \$100 million a year to Missouri's economy. The award-winning theme park is the "Home of American Craftsmanship," showcasing a colony of 100 resident craftsmen, in addition to its rides and attractions and world class festivals. The success of Silver Dollar City, in addition to the natural beauty of the Ozarks and the creation of Table Rock Lake, has helped launch Branson into a world-renowned tourism destination.

In the years since Silver Dollar City opened, Herschend Family Entertainment has grown to become America's largest family-owned theme park company—owning and operating 24 properties spread across nine states, including iconic sites like Dollywood in Pigeon Forge, Tennessee. Herschend properties attracted over 8.6 million visitors in 2009 and supports 6,600 jobs across the country. These parks celebrate our shared cultural heritage as Americans, our country's vast natural features and wildlife, and the community spirit that made America what it is today.

In addition to operating its entertainment business, the Herschend family, along with Silver Dollar City and its many other properties, touch thousands of lives through charitable giving and volunteer time to hundreds of non-profit groups every year. In my congressional district alone, the Silver Dollar City Foundation contributes over \$100,000 per year in Stone and Taney counties through its Care for Kids Program.

To Pete and Jack Herschend, and the team at Silver Dollar City, I offer my congratulations on their 50th anniversary.
